

REMARKS

Claims 11, 12, 14, 15, 21, 22, 24, and 25 are pending.

Claims 11, 12, 14, 15, 21, 22, 24, and 25 are allowed.

Specification Objections

The specification was previously amended in the Response filed on May 15, 2007 in response to the Office Action dated December 15, 2006, to remove the Attorney Docket numbers and replace them with the application number or patent number. However, since the amendment does not appear to have been entered, Applicants have again amended the specification as requested.

Reinstatement of Certain Withdrawn Claims

Claims 13, 16-20, 23, and 26-30 were previously withdrawn pursuant to a restriction requirement as directed to non-elected species.

Generic claim 11 has been allowed from which claims 13 and 16-20 indirectly or directly depend. Generic claim 21 has also been allowed from claims 23 and 26-30 indirectly or directly depend. Withdrawn claims 16-20 have been amended to recite the statutory class of claim 11.

Pursuant to 37 CFR § 1.141(a), Applicants respectfully request reinstatement and allowance of claims 13, 16-20, 23, and 26-30.

CONCLUSION

In view of the amendments and remarks set forth herein, the application is believed to be in condition for allowance and a notice to that effect is solicited. Nonetheless, should any issues remain that might be subject to resolution through a telephonic interview, the examiner is requested to telephone the undersigned at 512-338-9100.
